This is a decision on the "Renewed Submission Under 37 CFR 1.42" filed 23 June 2006.

BACKGROUND

In a decision from this Office on 09 June 2006, the request filed on 22 March 2006 was dismissed. The decision stated that the request did not comply with 37 CFR §1.497(b)(2) because the declaration was incomplete.

On 23 June 2006, applicants filed the present renewed submission under 37 CFR § 1.42 accompanied with an executed declaration.

DISCUSSION

The renewed submission includes, a newly executed declaration signed by Nathalie Taccoen as Legal Representative of the deceased inventor (Alain Taccoen) and the declaration now sets forth the residence, citizenship and mailing addresses of both the deceased inventor and the legal representative. This is in view of counsel's statement, the presentation of a single address/citizenship as an averment by the 42 applicant that they are the address/citizenship for both parties. If this is the case then counsel must inform the USPTO.

The declaration, also, has the signature of the other inventors. Accordingly, applicants have satisfied the requirements under 37 CFR 1.42.

CONCLUSION

The renewed submission filed under 37 CFR 1.42 is **ACCEPTED**.

This application is being forwarded to the National Stage Processing Branch of the Office of PCT Operations for continue processing and indicating a date of **23 June 2006** under 35 U.S.C. 371 (c)(1), (c)(2) and (c)(4).
